

Lulla Belle

Hanson

Lulla Belle won the big show
Got her picture framed by the window

In the hall where lovely girls go
Lulla Belle goes, Lulla Belle no

Lulla Belle no, no, no, no, no
Oh
Lulla Belle no, oh, oh, oh, oh

Beauty queen that you are
Put you down for a place in the stars
Take your picture for all the world to see

Lulla Belle's leaving the ball
No more reason to stay
Or people to see
But everyone here knows your name
From the light on your face
In the frame that hangs

In the hall where lovely girls go
Lulla Belle goes, Lulla Belle no

Lulla Belle no, no, no, no, no
Oh
Lulla Belle no, oh, oh, oh, oh
