Hanson

Out my window a memory  
I'm dying inside  
I know the way it should be  
Even though it was right in front of me  
It's something I just couldn't see  
Your lonely face  
Your lonely eyes  
But this is something you can't disguise  
It's not just me, you feel it too  
'Cause you know I belong with you  
Look at where we're going  
Tell me what can I say  
We're tracing our footsteps  
We're going the same way  
Madeline  
Here we go around again  
You know it, I know it, don't try to pretend  
You know it could be so much better than it's been  
Ooooh, here we go around again  
I was empty inside but I just didn't know  
You are my ten thousand roses and I let you go  
Before I make the same mistake just hold me in your arms  
We belong you know it in your heart  
Look where we're going  
No doubt in my mind  
Can't you see it's meant to be  
Oh, oh, oh...my

Here we go 'round again. Here we go. Here we go.  
Here we go 'round again. Said here we go.  
Here we go 'round again. Here we go. Here we go.  
Here we go 'round again.  
Look at where we're going  
Tell me what can I say  
We're tracing our footsteps  
We're going the same way  
Oh my...

Madeline, here we go 'round again  
Madeline, here we go 'round again  
Madeline, here we go 'round again  
Oh, my Madeline
