

# My Favorite Christmas Sweater

Hanson

Have I ever told you  
How much you mean to me  
I fell in love the first time I saw you  
Right beside the Christmas tree

Your every single line hypnotized me  
I didn't care that my friends criticized me  
But you are the best gift that I could receive

And when the year gets long  
I can feel the winter chill come on

And you comfort me like mistletoe and pumpkin pie  
You pull me together  
You're my favorite Christmas sweater

Crackling fires and jingle bells  
They remind me  
Of Christmases we've spent before

As long as I've got your arms wrapped around me  
It doesn't matter what next year has in store

I've got you whenever it's snowing  
I don't need gifts 'cause I'm already glowing  
You are the best gift that I could receive

And when the year gets long  
I can feel the winter chill come on

And you comfort me like mistletoe and pumpkin pie  
You pull me together  
You're my favorite Christmas sweater

And when the year gets long  
I can feel the winter chill come on

And you comfort me like mistletoe and pumpkin pie  
You pull me together  
You're my favorite Christmas sweater

You pull me together  
You're my favorite Christmas sweater
