

# Ooh La La La

Hanson

I know every thread you wear  
Has been woven to entice  
How you use it just ain't fair  
Damn good lookin'  
Oh, you make me say

Ooh, la la la  
You make me say  
Ooh, la la la

And your lips are red to tease  
And your hair is drawn back tight  
But you play it off with ease  
While you leave me paralyzed  
What you want is guaranteed  
Damn good lookin'  
Oh you make me say

Ooh, la la la  
You make me say  
Ooh, la la la

You make me say, yeah  
You make me say, yeah

Might be bold for me to stare  
But you're reckless with your spice  
I would happily not share  
Love what you're cooking  
Damn good looking

Ooh, la la la  
Oh, you make me say  
Ooh, la la la  
Oh, you make me swear  
Ooh, la la la  
Oh, you make me say
