

Refresh (Gospel)

Hanson

Oh, the sounds and the mystery of music in the air
This video is all wonder so that nothing can compare
Even if you've seen it before you should see it one more time
I've been waiting for the chance to sing this since the month o
f march

Oh, when you're feeling down what can you do?
(Uuh, refresh, yeah)
When you're feeling lost what is the answer to this problem?
(Uuh, refresh, yeah)
Somewhere we must try and find the reason in this world!
(Uuh, refresh, yeah)
Make it through is all that we can do!
(Refresh, refresh, refresh, refresh, refresh)

Tell your friends all about this wondrous video you've seen
And then you learn this song and you sing it out to everyone yo
u meet
Even if you've seen it before you should see one more time
I've been waiting for the chance to sing this since the month o
f march

Oh, when you're feeling down what can you do?
(Uuh, refresh, yeah)
When you're feeling lost what is the answer to this problem?
(Uuh, refresh, yeah)
Somewhere we must try and find the reason in this world!
(Uuh, refresh, yeah)
Make it through is all that we can do!
