

## Robot Alarm (Birthday 24)

Hanson

Woke up this morning  
To the sound of my alarm  
I hear it going off  
Beep beep beep beep  
Yeah

My birthday  
Today I'm turning 24  
I hear it going off  
Beep beep beep beep  
Yeah

Sitting on my bedside table  
Sixty feet of metal blocking out the sun  
Looming like a mighty titan  
Then I hear them start it rolling  
Hear them burning  
Wee ooh, wee ooh, robot alarm  
Wee ooh, wee ooh, under attack  
Wee ooh, wee ooh, robot alarm

Anybody hear me activate your laser beams  
Anybody hear me  
Anybody hear me don't scream  
Anybody hear me activate your radar screens  
Ready for the battle?  
Are you ready for the battle?

Wee ooh, wee ooh, robot alarm  
Wee ooh, wee ooh, under attack  
Wee ooh, wee ooh, robot alarm  
Wee ooh, wee ooh, under attack
