

Sugar High

Hanson

Ohhhhhhhhhhhh skittles
Gimme some sugar
Can't tame the demon
So I wake up in cold sweats
I've got syrup on my shirt
It's 8am and I'm craving dessert
I just need a little medication granulation is my motivation
Cuz it tastes so great
When I have it on my frosted flakes

I need a sugar high
Feels like I can run 1000 miles
Heart races to 204
All I want to do is have a little more
Oh oh oh oh
I need a sugar high
Tastes so sweet you're gonna blow your lid
Might sell my house even sell my kids
You know that if you try you're gonna learn to fly
Oh oh oh
Sugar High

Sugar High

How bout a big gulp
So I can slurp it
Sugar

Blood glucose levels feeling low
Skittles that I need to taste the rainbow
Brown or confection will be fine
As long as it's sweet I'm color blind
Nutrition absolutely optional
I need it rather pathological
I don't care if its glazed or varnish if it's garnish
Oh oh oh

I need a sugar high
Feels like I can run 1000 miles
Heart races to 204
All I want to do is have a little more
Oh oh oh oh
I need a sugar high
Tastes so sweet you're gonna blow your lid
Might sell my house even sell my kids
You know that if you try you're gonna learn to fly
Oh oh oh
Sugar High

I
Need
My
I gotta get my fix

I need white powder
Sugar High
How about a big gulp so I can slurp it
