Wasting Time

Hanson

Then I saw your face
Suddenly I'm losing faith, yea
The words are few to place
Give up, give out, giving no big disgrace, yea

Let's stop wasting time
Let's stop wasting time

Say your mind
But you can tell me I'm out of my head
Quit playing with my mind
Don't tell me I'm out of my head
Let's stop wasting time
Don't tell me I'm out of my head
Quit playing with my mind
I feel like I'm losing my head
Won't you tell me I'm out of my head
Won't you tell me I'm out of my head

Let me in your heart
Give up, give out, giving is where it starts, yea
Dreaming's not so hard
Once you've found your shooting star, yea

Let's stop wasting time
Let's stop wasting time

Say your mind
But you can tell me I'm out of my head
Quit playing with my mind
Don't tell me I'm out of my head
Let's stop wasting time
Don't tell me I'm out of my head
Quit playing with my mind
I feel like I'm losing my head
Won't you tell me I'm out of my head
Won't you tell me I'm out of my head
Oh, yea

Tell me if I'm in, in over my head
Tell me if our future is just hanging by a thread
I don't want to begin something I can't face
If I'm destined for loneliness tell me on my way
On my way

Tell me I'm out of my head
Tell me I'm out of my head
No, don'tcha tell me I'm out of my head
I'm out of my head

Oh, don't tell me I'm out of my head
Quit playing with my mind
Don't tell me I'm out of my head
Let's stop wasting time
Don't tell me I'm out of my head
Quit playing with my mind
I feel like I'm losing my head

Won't you tell me I'm out of my head

Don't tell me I'm out of my head
Don't tell me I'm out of my head
I feel like I'm losing my head
Won't you tell me I'm out of my head
