

Worth The Wait

Hanson

Oh oh, oh oh, it'll be worth the wait
Oh oh, oh oh, it'll be worth the wait
Oh oh

Why don't you hold your hand up
If you feel like you're held ransom
Instead of looking forward to glory days

Ain't no shame in a hand up
If you're sitting down you better stand up
And let your brother show you the way

On Sunday morning
You better save the date
Gonna spread the good news
It'll be worth the wait

Oh oh, oh oh, it'll be worth the wait
Oh oh, it'll be worth the wait
Oh oh, it'll be worth the wait

I know you're not at your best
By the time we're done you're gonna know
That you're blessed
So there ain't no time for you to delay

Find yourself a pencil, better take notes
We got technicolor dream coats
And sisters that can show you the way

On Sunday morning
You better save the day
Gonna spread the good news
It'll be worth the wait

Oh oh, oh oh, it'll be worth the wait
Oh oh, it'll be worth the wait
Oh oh, it'll be worth the wait
Oh oh, it'll be worth the wait

And when we reach the end of this life's struggle
There'll be a lasting serenade
Because it's more than just a destination
That's why all the angels sing

Oh oh, oh oh, it'll be worth the wait
Oh oh, it'll be worth the wait
Oh oh, it'll be worth the wait
Oh oh, it'll be worth the wait

On Sunday morning
You better save the day
Gonna spread the good news
It'll be worth the wait

Oh oh, it'll be worth the wait
Oh oh, it'll be worth the wait

Oh oh, it'll be worth the wait
Oh oh, it'll be worth the wait
Oh oh, it'll be worth the wait
Oh oh, it'll be worth the wait
Oh oh, it'll be worth the wait
Oh oh, it'll be worth the wait
