

Zombie

Hanson

Now scream
This halloween you better watch your step
There are many creatures on the streets at night
Some monsters come out of plastic boxes
Still many more are of a supernatural kind
If you run into a rotted corpse
And he is gravitated in shorts, yell

Zombie
Then kick him in the face
Zombie
Then punch him in the nuts
Zombie
Then shoot him in the brain
Zombie
Now scream

You're on the town saying trick or treat
But you're not thinking about how good you look to eat
In every cemetery there are open spaces
Any ghoul would love for you to take his place
If you fall into an open grave
And find you're staring face to face, yell

Zombie
Then kick him in the face
Zombie
Then punch him in the nuts
Zombie
Then shoot him in the brain
Zombie
Now scream

Don't think that zombies are your friend
The thing they're mumbling isn't that they want to tell you a secret
Don't think that zombies are injured people
They're not injured people
They're just partly dead people
Don't think that I've gone insane
You'll take the tomb the day the zombies eat your brain
Actually you wont because when they eat
Your brain you'll become a zombie

You'll be a zombie
You'll be a zombie
You'll be zombie
You'll be a zombie

Zombie
Then you kick him in the face
Zombie
Then you punch him in the nuts
Zombie
Then you shoot him in the brain
Zombie
Now scream

Zombie
Then you kick him in the face
Zombie
Then you punch him in the nuts
Zombie
Then you shoot him in the brain
Zombie
Now scream
