

## No Hook

Hanumankind

Spark it up famo, blunt a couple gramos  
I'm come another planet, snapping like I'm Thanos  
My shit full paid, Your shit look like a rental  
Riding in my spaceship bumping instrumentals  
This that light speed, pedal to the metal  
One plus 99, bitch I never settle  
We get hy-py, I like heavy metal  
I like pussy money weed cause I met the devil  
That's not important dawggggggg [\*cough\*]  
Running with a gang that's deep  
Too much hot sauce 8 days in a week  
My boys don't stop, these dudes don't sleep  
We don't fuck with y'all  
Y'all steady following sheep  
You silly lil bitch, you lil bo peep  
Hit you with the switch lights off no peep  
Animal, with the stamina  
Need banana bro  
Gorilla mode, King Kong wit the load  
Throw the hammer bro  
I go hannibal  
That's a cannibal  
What's the Episode  
You man enough?  
Nah you embarrassing  
Make your head explode  
Pop goes the weasel  
Lord of the lungi boy stay lethal  
Do it how It should be check my easel  
This that art, that loud, that diesel  
Fuel tank full, I'm tripping out boy  
Shit on a rapper cause they sound fecal  
All that other shit you do see through  
HMK on the way to defeat you
