Baby, I'm surrounded by dark matters
Neoga bonaenoeun addyro now I'm bout to wurf
Cause my heart is getting cold
I don't know what's going on
There's something about your soul
Witnessed through the window
Sarang anim trap wrote this on a track
Feel like I'm a lumberjack
Hit you up ten times
Don't even need an axe
Useumyeon heart attack
Gamanhi isseodo precious
Brainstorming jungin meori hangaunde
I see you gangster
Expensive taste, biseuthan paeteon
Yeollageun maebeon saebyeoge I love it when you're exotic
Malhaebwa nae gwitsoge even your guilty pleasure
Ama neol deryeodajugo oneun gil tireul neomu mani naenna
I saw it in your eyes
Treasure or something like that
Right on time
I can make it fast, but Imma take it slow
