

## He's Alive

Happy Rhodes

He's alive  
He's alive  
And why?  
Because I let him live

Open your eyes  
Alice arise  
Take my breath  
Breath my life  
Come through the walls  
Your lady calls  
Lean on me  
There's no captivity  
Roam the streets  
Invade their dreams  
He's alive  
He's alive  
And why?  
Because I let him live

Open your eyes  
Alice arise  
Take my breath  
Breath my life  
Come through the walls  
Your lady calls  
Lean on me  
There's no captivity  
Roam the streets  
Invade their dreams  
He is alive  
He is alive
