

## Rhodes Waltz

Happy Rhodes

I am a fleeting thought  
Cherish and remember  
Tomorrow I'll be gone  
Understand that I am  
Momentary  
No forevers here  
I move on

But if you ignore my presence  
I will never come again  
Take notice  
I remain for no one, no thing  
Be aware  
Tomorrow I'm gone  
But treat me with respect and care  
And when needed I'll be there

But if you ignore my presence  
I will never come again  
Take notice

I am a flying soul  
Don't clutch on  
Tomorrow I'll be gone  
Tomorrow I'll be gone  
Tomorrow I'll be gone
