

Serenading Genius

Happy Rhodes

Every night I go to sleep
And dream of what I seek
I serenade
I'm serenading genius so...
Come on, come down and be with me
Come on, come down, give me the key

One person's genius may be another's banality
But it's only my criteria worrying me
I don't know why
I want to be good
But since I'm alive
Maybe I should
Reach higher
For the bigger stuff
Bigger stuff
Bigger stuff

Every night I go to sleep
And dream of what I seek
I serenade
I'm serenading genius so...
Come on, come down and be with me
Come on, come down, give me the key

Every night I go to sleep
And dream of what I seek
I serenade
I'm serenading genius so...
Come on, come down and be with me
Come on, come down, give me the key

Hey hey hey hey hey hey hey...

I don't sing because I've found it
I sing because I'm looking for it

Since I was little I've known that
All I ever wanted to do was
Be tall and play it from the inside
Only then could I really know what
Happiness meant

If I reach the middle of the world
I hope I see what genius really looks like
On the outside I've seen it many times
I wonder if I'd know it if it came

Love, I have found, is in music

Since I was little I've known that
All I ever wanted to do was
Be tall and play it from the inside
Only then could I really know what
Happiness meant

Peace swallows me when there's

g e n i u s

If I reach the middle of the world
I hope I see what genius really looks like
On the outside I've seen it many times
I wonder if I'd know it if it came

Every night I go to sleep
And dream of what I seek
I serenade
I'm serenading genius so...
Come on, come down and be with me
Come on, come down, give me the key

Every night I go to sleep
And dream of what I seek
I serenade
I'm serenading genius so...

Come on, come down and be with me
Come on, come down, give me the key

hahahahaha
