Hardcore Superstar

Hey man, you're like a baboon
In a shitty shitty room
Hey man, you're like a baboon

Shitty shitty room baboon
Shitty shitty room

I'm such a bad ass, baby
Wanna get on with me
What's your poison
I can get it for free
You wanna go down in history
Spend a night with me
It might get slippery

I find 'em!
Forget them and flee
Ground beef baby
There's a butcher in me
Got it all!
Get it on
