Hardcore Superstar

It's funny how things end
Sometimes reality
Seems so unreal
Empty shoes in the closet
It feels like their's nothing
Left to love

Sometimes I don't wanna wake up
Sometimes I don't wanna wake up

Fly, fly, fly
To never come back
Fly, fly, fly
To never come back

One thousand memories ain't
Much help for me
Will time ever heal the wounds
I'm bleeding

Sometimes I don't wanna wake up
Sometimes I don't wanna wake up

Fly, fly, fly
To never come back
Fly, fly, fly
To never come back

Fly away my friend
To never come back again
My friend

Fly, fly, fly
