

# Growing Old

Hardcore Superstar

I can't sit still  
These feelings within'  
That won't let me go  
I gotta find a reason why  
Cause I'm always down for a count

So lift me up  
Out of this place  
And take me somewhere  
Somewhere else  
I can't sit here  
And watch this show  
Cause time is running  
And I am growing old

Under the surface  
Monsters I find  
But I still stand by their side  
I make the damage  
And suffer the pain  
But I believe we all can change  
We all can change  
We all can change

So lift me up  
Out of this place  
And take me somewhere  
Somewhere else  
I can't sit here  
And watch this show  
Cause time is running  
And I am growing old

Under the surface  
Monsters I find  
Under the surface  
Monsters I find  
Under the surface  
Monsters I find  
Under the surface  
Monsters I find

We all can change...

So lift me up  
Out of this place  
And take me somewhere  
Somewhere else  
I can't sit here  
And watch this show  
Cause time is running  
And I am growing old

Under the surface  
Monsters I find  
Under the surface  
Monsters I find

Under the surface  
Monsters I find  
Under the surface  
Monsters I find
