Well look at me, I am your guy
I see the world through the eyes of a magpie
I'd like to be a celebrity
Imagine wearing a suit and a necktie
Go!

Forget the bill
Have a taste of that sweet pill

Rolex, Montrachet
Still got nothing to say
Sunny San Tropez
Wanna be someone some day

Don't wanna work, I've got my pride
I want my life to be an infinite free ride
Still short on cash, so please subscribe
I need the funds to get that house on the seaside

If you pay my bills
I'll post a pic of my breakfast

Rolex, Montrachet
Still got nothing to say
Sunny San Tropez
Wanna be someone some day

There are things that you just cannot teach
I'm a YouTube wizard, find me at the beach
Things that you just cannot teach at the beach

Rolex, Montrachet
Still got nothing to say
Sunny San Tropez
Wanna be someone some day

Wanna be someone some day
