

## Kick On the Upperclass

Hardcore Superstar

Scratch my back again  
My butchy girlfriend  
Pay me  
Or I'll come again  
I'll take you low into my hand

LOW  
I've hit rock bottom  
The only one who cares about me is on my own kind

Kick on the upperclass  
Take them out with the trash  
Kick on the upperclass  
End of class

He's just a millionaire with a tasteless touch of class  
She stares  
I'm single again  
Cause I'm broke  
Life is fair

What a lovely way to spend the evening
