

# Remove My Brain

Hardcore Superstar

Got a name  
But no brain  
When my baby goes insane  
Just wanna leave her to walk alone  
Painful  
Shameful  
All I really wanna do  
I want to walk all over you

Remove my brain  
Make me feel free  
Remove my brain  
Sedate me at least  
I need a miracle  
Remove my brain  
Please help me

Alcohol  
That's all  
Been sick so many times before  
I'll show you all my scars  
Maggotrain  
Ratbrain  
All I really wanna do  
I want to walk all over you

I need another brain  
I need a woman who will keep me calm n' sane  
They need to remove my brain  
Want to sedate my brain  
Need to remove my brain
