

## Sophisticated Ladies

Hardcore Superstar

Baptized without a mother  
Am I tough like the others  
Oh no  
Sunshine on my brothers  
I drink when I see problems  
Low  
So low

That's what they call me sometimes  
Beautiful women shine

I don't wanna sleep with sophisticated ladies  
I just wanna live in filth with some deadbeats

Can't take this any longer  
Some wine  
I gotta get stronger  
Low  
So low  
Poor boy U don't know how to stare into her eyes  
Oh no
