

The Ocean

Hardcore Superstar

I've got a secret
I won't tell anyone
I'm gonna miss it?
We sure did have some fun

Now it's buried in the ocean
Nowhere to be found
You got me feeling emotions
Had to go
Dead and gone

Ocean
Ocean
It's in the ocean
Ocean

I'd like to kill you
In my mind it seems like fun
Better stop believin'
I like the chase so you better run

I'll drown you in this ocean
Nowhere to be found
You got me feeling emotions
Need to go
Dead and gone

Ocean
Ocean
It's in the ocean
Ocean
