Hardwell

I think we're going crazy  
so now we're going crazy  
I think we're going crazy  
so now we're going crazy  
I think we're going crazy  
so now we're going crazy  
I think we're going crazy  
so now we're going crazy

I think we're going crazy  
I think we're going crazy  
I think we're going crazy  
I think we're going crazy  
I think we're going crazy  
I think we're going crazy  
I think we're going crazy  
so now we're going crazy

I think we're going crazy...  
so now we're going crazy

I think we're going crazy  
so now we're going crazy  
I think we're going crazy  
so now we're going crazy  
I think we're going crazy  
so now we're going crazy  
I think we're going crazy  
so now we're going crazy

I think we're going crazy  
I think we're going crazy  
I think we're going crazy  
I think we're going crazy  
I think we're going crazy  
I think we're going crazy  
I think we're going crazy  
I think we're going crazy  
I think we're going crazy...  
so now we're going crazy
