

Here Once Again

Hardwell

Blow your mind with the rocking crowd
I'll keep it on with my word and soul
So I'm pure perfection
From beginning to the end
I'm here once again

Blo-blow your mind with the rocking crowd
I'll keep it on with my word and soul
So I'm pure perfection
From beginning to the end
I'm here once again

Blow your mind with the rocking crowd
I'll keep it on with my word and soul
So I'm pure perfection
From beginning to the end
I'm here once again

Blo-blow your mind with the rocking crowd
I'll keep it on with my word and soul
So I'm pure perfection
From beginning to the end
I'm here once again

Blow your mind with the rocking crowd
I'll keep it on with my word and soul
So I'm pure perfection
From beginning to the end
I'm here once again!

Blo-blow your mind with the rocking crowd
I'll keep it on with my word and soul
So I'm pure perfection
From beginning to the end
I'm here once again

Blo-blow your mind [x9]

I'm here once again

I'm here once again
