

## Mr. Spaceman

Hardwell

Mr. Spaceman give me your dream  
'Cause this world's just not what it seems  
I need a real time travel machine  
I gotta get away, yeah

Mr. Spaceman give me your light  
I see the neon stars in your eyes  
I wanna blast off into the night  
I gotta get away, yeah

I've gotta go!  
I've gotta go!  
I've gotta go!

I gotta get away, yeah...

Mr. Spaceman give me your dream  
'Cause this world's just not what it seems  
I need a real time travel machine  
I gotta get away, yeah

Mr. Spaceman give me your light  
I see the neon stars in your eyes  
I wanna blast off into the night  
I gotta get away, yeah

I wanna go over...  
I wanna go (I gotta get away, yeah)...

I've gotta go!  
I've gotta go!  
I've gotta go!

I gotta get away, yeah...
