Lord know's I don't wanna go back to transactions  
Cause it got hot like chantelle jeffreys  
It's all mad when you see another man get bad  
And you thinking I can't sit back but  
I can't face time like samsungs  
I got tunes online there's traction  
Man come from the block, no mansion  
New schemes I'm plankton  
But I can't be a patty going off on a tangent  
Mmm, I'm south London like morleys  
But I got meego's up in north achton  
They finesse like chicks in north hampton  
Dohs are the bruddha's that I bank on  
Might fly there if I wanna get banks in  
Fuck what happened
