Hardy Caprio

Broke Boy
Super soaker
I tell her bell me when the Uber's over
Put the Henny in a super soaker, yeah
Bussing all the mandem
Money and gal
This year, I'm bussing all the mandem

New day, I'm already moving colder
I got a jezzzy with a new persona
I tell her bell me when the Uber's over
I put the Henny in a super soaker
Sho, this year I'm bussing all the mandem, next year it's money and gal
