JACK

Hardy

Hey, kid, let me introduce myself
I's a friend of your dad's when he had no one else
I'll put the party in your life boy you know I can
Have you ever wanted to feel like superman?

Oh-oh-oh
Oh-oh-oh

I see that blonde hair over there looking at you
You wanna say, "what's up" but can't work up the courage to
But if you stick with me buddy you can bet your life
She'll be walking out with you by the end of the night, so

Don't listen to momma, hell I ain't the devil
Ditch me when you wanna but if you need a little
I can fix your problems, always got your back
I can make you famous, by the way my name is

Shit... (Jack, Jack, Jack)
It ain't my place but I gotta admit

All the people in your circle, man, they're pissing me off
Say you're broken and you're soulless and it's all my fault
So tell me, old friend, is it such a sin?
All I did was make you happy, so to hell with them, and

Don't listen to momma, hell I ain't the devil
Ditch me when you wanna but if you need a little
I can fix your problems, always got your back
I can make you famous, by the way my name is

Yeah

Yeah-yeah
It's been a hell of a ride, kid, don't you agree?
Yeah-yeah
Rock bottom ain't as bad when you're rocking with me
When you're rocking with me, so

Don't listen to momma, hell I ain't the devil
Ditch me when you wanna but if you need a little
I can fix your problems, always got your back
I can make you famous, by the way my name is
By the way my name is, by the way my name is
Jack
