

# THIS OLE BOY

Hardy

This ole boy don't come from the city  
This ole boy's got some rock 'n' roll roots  
This ole boy still speaks Mississippi  
This ole boy's got some miles on these boots  
This ole boy done fell into something  
I ain't talking 'bout mud or paint  
Girl, you know I'ma gon' give it to you country  
Couple things that ain't gonna change

That dog gon' hunt, this truck gon' ride  
The river gon' run, the fish are gon' bite  
Coyotes gonna howl at a full moon  
This ole boy's gonna love you  
You could take it to the bank, cash it on in  
As long as that third rock from the sun spins  
It's one of them things that's gonna stay true  
This ole boy, this ole boy's gonna love you  
Yes, he is

Yeah, this ole boy's whole life looks different  
This ole boy's got a permanent grin  
This ole boy's saying words like commitment  
'Cause she's giving me some sugar with a lipper in

That dog gon' hunt, this truck gon' ride  
The river gon' run, the fish are gon' bite  
Coyote's gonna howl at a full moon  
This ole boy's gonna love you  
You could take it to the bank, cash it on in  
As long as that third rock from the sun spins  
It's one of them things that's gonna stay true  
This ole boy, this ole boy's gonna love you  
Yeah  
This ole boy, this ole boy's gonna love you  
Yeah

Smoke gon' blow, catfish gon' fry  
That camp gon' flow on a Friday night

Yeah  
That dog gon' hunt, this truck gon' ride  
The river gon' run, the fish are gon' bite  
Coyotes gonna howl at a full moon  
This ole boy's gonna love you  
You could take it to the bank, cash it on in  
As long as that third rock from the sun spins  
It's one of them things that's gonna stay true  
This ole boy, this ole boy's gonna love you  
This ole boy, this ole boy's gonna love you
