

Last Time

Harem Scarem

If you could see me the way that I see you
I think you'd be in love with me
Well it's something that I can't explain
But I feel it when you're close to me

No one has ever made me feel in this kind of way
There's not a thing I'd change about you babe

Cause it's the last time I'm begging you
So tell me what you want to do
It just feels like I love you
Well I guess I'm begging, I'm begging for you

Can't tell me how to feel
Cause it's not right you know
Baby tell me why it's such a crime
If I know nothing
Tell me what there is to know
I can't stop wasting all my time

No one has ever made me feel in this kind of way
There's not a thing I'd change about you babe

Cause it's the last time I'm begging you
So tell me what you want to do
It just feels like I love you
Well I guess I'm begging, I'm begging for you

Cause it's the last time I'm begging you
So tell me what you want to do
It just feels like I love you
Well I guess I'm begging, I'm begging for you
Last time I'm begging you
So tell me what you want to do
It just feels like I love you
Well I guess I'm begging, I'm begging for you
Last time I'm begging you
It just feels like I love you
So tell me, tell me what you want to do
Last time I'm begging you
It just feels like I love you
So tell me, tell me what you want to do
