

## Whatever It Takes

Harem Scarem

When you and i were young  
You and I could both pretend  
That nothing could go wrong  
There were only new beginnings  
And no end  
But then time becomes the enemy  
Love scatters like an autumn leaf  
In the thinning air without a trace  
Tell me what you want  
Tell me what you need  
So I can stop this heart racing out of me  
Love can break your heart  
So I'll keep the pieces safe  
'Til I can stop his heartache  
I'll do whatever it takes  
When searching for someone  
You've lost  
You somehow tend to find yourself  
We all carry a cross  
But mine  
No I can't seem to lift myself up  
Now I've lost you like a summer breeze  
In the winter of a desperate plea  
Love is gone without a trace  
Tell me what you want  
Tell me what you need  
So I can stop this heart racing out of me  
Love can break your heart  
So I'll keep the pieces safe  
'Til I can stop his heartache  
I'll do whatever it takes  
Tell me what you want  
Tell me what you need  
So I can stop this heart racing out of me  
Love can break your heart  
So I'll keep the pieces safe  
'Til I can stop his heartache  
I'll do whatever it takes
