

Why

Harem Scarem

Here in the unknown
I took the blind eternal leap
There's a face that I show
And the one that's in too deep
You know all the blame
Comes to lie with me
We're two lines
That never meet
I don't even know why
I feel I'm alone
When I'm with you
It's not as if I don't try
I feel like I'm alone
When I'm with you
Weak in the bones
Nothing left but dying dreams
And you're still here to hold
And for me it's bittersweet
You and I turn to grey
Fighting back the years
All the while
It's my own breath I steal
