

Always

Harmonize

Yeah yeah yeah yeah
(Black Black)
My baby you dey on my mind
You just live on my mind oh
Always on my mind oh
You just live on my mind oh

I can't believe you mine
Everyday on my shoulder
I can't believe you mine
And now we getting older

I can't believe you mine
Want me say that louder louder
Cause me and you the love is true
Don't let another man sleep where I sleep

When you do your ting got me horny
I give you everything when you want
See see me eh, don't see anybody
The sweeter love don't give anybody

My baby off the light come shake for you daddy
Increase the sound louder than before
Come top over me baby whine that
Whine it slow

Jus You and I, I wish you understand what am feeling
I go take you Dubai
Tell me you wanna fly
Free your mind do some shopping

My baby you dey on my mind
Just live on my mind oh
Always on my mind oh
Just live on my mind oh

My baby you dey on my mind
You just live on my mind oh
Always on my mind oh
You just live on my mind oh

Ah huh, am not perfect
But am trinna do my best oh
Aha huh, nobody is perfect
Please baby don't be stressed o

I swear me am gon mad over you
When I see another man around you
There is nothing baby am worry to do
I'll leave my guys just to follow you

Let me hold you on the night
Just to make you cool
And I can give you early morning
Like wake up call

Don't be shy just you and I
I wish you understand what am feeling
I go take you Dubai
Tell me you wanna fly
Free your mind do some shopping

My baby you dey on my mind
You just live on my mind oh
Always on my mind oh
You just live on my mind oh

My baby you dey on my mind
You just live on my mind oh
Always on my mind oh
You just live on my mind oh

Ah huh, am not perfect
But am trinna do my best oh
Ah huh, nobody is perfect
Please baby don't be stressed o

Konde boy call me number 1
This one for the lovers, for the lovers

See baby you dey on my mind
You always on my mind oh
Baby you dey on my mind
See on my mind oh
