Harmonize

Aaah aaah... Konde Boy
Aaah aaah... Mmmh

Baby I go die for your love
Die for your love, ooh oh oh
Baby I go die for your love
Die for your love, ooh oh oh

Baby girl heard you are a player
Nice to meet you I wanna be your kocha
Anywhere you wanna go we go there
Standing by you, we go live la vida loka

Obimo turn around
And show me you body
My beiby whine dat, whine dat
Whine dat for you daddy

Ooh baby the way you move your body is so nasty
Eeeh eeh so nasty
I like the way you come down too fast
Eeeh eeh too fast

Baby I go die for your love
Die for your love, ooh oh oh
Baby I go die for your love
Die for your love, ooh oh oh

Your love is a blessing 100 asilimia
We niache hanging rude boy naning'inia
Leo nimejiamini Papa Jones sitaingizia
Speaking from the heart mkono yangu kwenye Bibilia

Ey and baby girl you got a body to die for
Swagga yako kali hatari ki psycho
Nitalipa hata mahari ka ni gari nitabuy four
Na we mtamu ka chari walai jo

The way she whine her body slow
Ni ka kusema shawty bongesha la toto
Hata kwa giza una glow
Keti na mapro we ni diva kidosho

I swear umenigeuza chizi wa mapenzi
Reason wakikuona na mimi wanaevy
But beiby woun't you take it easy
Umenisimamisha ndizi manze unatesa hii jiji vishenzi

Ooh baby the way you move your body is so nasty
Eeeh eeh so nasty
I like the way you come down too fast
Eeeh eeh too fast

Baby I go die for your love
Die for your love, ooh oh oh
Baby I go die for your love
Die for your love, ooh oh oh

Baby I want you to understand
I don't want a one night stand
For your love me am ready to spend
My money to spend

Baby I want you to understand
I don't want a one night stand
For your love me am ready to spend
My money to spend
