

Fall In Love

Harmonize

You got me fall in love
You got me fall in love ooh
See you are the one I've been waiting for
Someone like you I've never seen before
I no go tell you lies
Baby kwa bedi am the king of control
I go take you to mummy first of all
Mmmh you do me everything I like beiby
You dey bust my medulla
In the morning mpaka night my beiby
You be teaching me how to love

The way you shake, beiby your waist
I go give you all my money lemme invest
Beiby you the best, of the best
Eeh I no go lie lemme say

You got me fall in love
You got me fall in love ooh
You got me fall in love

Anything you want baby
I swear me I go do for you
Be my tea I go be your bedi
I no go leave baby without you

Asa whine up your waist, whine up your waist
Give it to me, give it to me -
Whine up your waist, whine up your waist
Give it to me, give it to me -

You are paradise
When you get that close to my screen
I just realize
You are the one I saw in my dream

Baby kachiri, kachiri, kachiri saga
Slow down give me beef burger
Kachiri, kachiri, kachiri saga
Go down give me that burger
