

Hawaniwezi

Harmonize

Thanks god I have see the another day
And am too special
Ingawa sijaiona kesho
Mh I'm big African super star
From mtwara city boy go far
Pretty morning baby see them car
Nazina pakukaa an' I got this far
And I was born rida
Yani kiufupi nazijua shida
Kusimangwa kutukanwa kwangu kawaida naona barida

Yes they call me boss
Kama utaki sikuforce
I love the way I love me
Come my big fan of meee
Mh nisamehe kama nakukera
Ila kitaa ndo kimenipa bendera
Narussha masela mpaka walo jela
Of course of course of course

Konde boy I'm sojour
Mi sina time yakungoja
They call me tanzania one namba moja
Kama ukibisha bisha kwa hoja eeeh

Thanks no place you can buy my life
Just I no I'm rich than anybody iiiiiih
Me am fia no body uuuuh
Am stronger
Boya akizingua namgonga
Mi nabadilika ka kinyonga
Huwezi amini ndo kinyago walicho chonga
Wanatia sumu kunijaribia
Mi nakula ndumu nafikiria
Kutimiza majukumu yafamilia kuihudumia

I'm universe connected
Yes no one expected
To your god an the most bigger one take and accepted
Taratibu husije ukaniiga mmh
