

Mazoea

Harmonize

Uh, I'm tryna tell my friend this is different
Kama you got me end of the mission
They say, "stop playing, weh' Mzee
'You going insane?"
Unapewa nini, masikio
You don't listen
(Bomboclaaaa-, yeah)
Sounds by, Abbah!

Jana nilikuwa Topsy, eh
Kulimwagika pisi, eh
Maradhi pekee ndio yangefichwa
Uzuri wako umenijaa kwa kichwa
Nikazikumbuka hips, eh
Unavyo ng'ata, ng'ata lips, eh
I know that you miss me
Why don't you come and kiss me
My baby
Ooh, ooh

Uh, umetawala nchi kavu, umetanda angani
Unanipa mitihani, natokea njia gani?
Uko nyumbani, uko mtaani, uko kazini, uko maskani, uko viwanjani, uko moyoni
, umejaa, jaa ndani
Matukio yana rewind, rewind kichwani
You are one of the kind
Umeshinda wapinzani
Pozi zako, dah!
Ile sura ya furaha
You're my friend, you're my lover, you're my superstar
Umeshindwa, kushindwa kulala last night
Nikiangalia kitanda, we used to play pillow fight
(Pillow fight)
Come back to me, I'm not doing alright
Ukiona mtu mzima analia
Ujue vitu ziko tight
(Ooh, ooh)
Tight

Hata iwe mapenzi yamekwisha
Kumbuka kuna
(Mazoea)
Eh-eh, eh-eh, baby
Ooh-ooh, ooh-ooh
(Mazoea)
Hatakama mapenzi yanakwisha
Yanabaki, ih
(Mazoea)
Eh-eh, eh-eh, baby
Ooh-ooh, ooh-ooh
(Mazoea)

Ooh, ooh
(Coughs)

Nakunywa pombe nilewe
Sababu ni wewe

Silewi zinanipalia
Oh, oh, oh
(Oh, oh, oh)
Umenipatia
Ooh, ooh, ooh
(Oh, oh, oh)
Unanijulia

Najipa imani, it's okay
My heart is broken
Naogelea matope
Wacha nijikokote
Wacha nijiokote
It's okay, it's okay
Na sitafika popote (Damn!)
Si unajuwa arosto
I'm in so pain
You're love inanipa addiction kama cocaine
Umeona kabisa umeshani-damage my brain
I'm so high, captain' jump off the plane

Umeshindwa, kushindwa kulala last night
Nikiangalia kitanda, we used to play pillow fight
(Pillow fight)
Come back to me, I'm not doing alright
Ukiona mtu mzima analia
Ujue vitu ziko tight, 'tight

Hata iwe mapenzi yamekwisha
Kumbuka kuna
(Mazoea)
Eh-eh, eh-eh, baby
Ooh-ooh, ooh-ooh
(Mazoea)
Hatakama mapenzi yanakwisha
Yanabaki, ih
(Mazoea)
Eh-eh, eh-eh, baby
Ooh-ooh, ooh-ooh
(Mazoea)
