The way you take me to the angle  
Wewe ni human being ama angel?  
If you want my heart ooh

Kidogo changu ndo chako  
Ongeza njonjo madoido  
(Aah eeeeeh!)

My sheri koko, kwa baridi nipe joto (aah eeeeeh!)  
Kisha tupate kimoko babu bibi, kurwa doto (aah eeeeeh!)
