

# Single Again

Harmonize

I'm single (Ooh ooh)  
Yeah baby I'm single (Mmmmh)  
I'm single (Ooh ooh)

Kwani mimi nani  
Nani nani na nini mimii

One day I used to call my mama  
To tell her that I'm falling love  
And what she said my mama  
It's too early for you to fall in love

Mama don't you worry, she's my glory, my one and only  
Yeeih  
Mama don't you worry, she's my glory, my one and only  
Yeeih

Mmmmh mmmmh  
Maybe this love not for me, mhm  
Mmmmh mmmmh  
Maybe this love not for me

I'm single  
Do you know that I'm single?  
I'm single again  
Who knows I'm single?  
Oh yes, I'm single  
Ladies! I'm single again  
I'm single  
Who knows I'm single?

Kwani mimi nani  
Nani nani na nini mimii

Baby boy I'm single  
Got no time to mingle  
I just mind my business  
Mind my business

I'm single  
Oh baby I'm single

My bad moves and yeah  
My two letters yeah  
And I ain't questioning  
My love moves and yeah  
If you need me darling  
Better think twice babe  
'Cause I'm crazy  
Yeah I'm crazy

I'm single  
Yeah baby I'm single

I'm single  
Do you know that I'm single?  
I'm single again

Who knows I'm single?  
Oh yes, I'm single  
Ladies! I'm single again  
I'm single  
Who knows I'm single?

Kwani mimi nani  
Nani nani na nini mimii
