Turn Up

Harmonize

Turn up, turn up, turn up, turn up, turn up
It's your birthday
Everybody turn up, turn up, turn up, turn up, turn up
It's your birthday
I want you to turn up, turn up, turn up, turn up, turn up
It's your birthday
Everybody turn up, turn up, turn up, turn up, turn up
It's your birthday

When I wake up in the morning
Everyday another day
I can't stop to thank you for life
Life

Coz we just live will die one day
Even today
Nobody knows tomorrow in the life
Life

Oh lord, I wish to see you face to face
I just wanna thank you for the bless
Then I wanna tell you what am facing
Facing in my life

But I just remember
You know me better than I know myself
So many times I did you wrong
But you never ever leave me alone

If we never win or loose
I must thank you coz I know am not alone
Take away my pain, give that champagne
Oh just for the blessing

Turn up, turn up, turn up, turn up, turn up
It's your birthday
Everybody turn up, turn up, turn up, turn up, turn up
It's your birthday
I want you to turn up, turn up, turn up, turn up, turn up
It's your birthday
Everybody turn up, turn up, turn up, turn up, turn up
It's your birthday

Oh daddy I can't make you happy everyday eh eh
Oh mummy I go make you proud one day eh eh
So many things for me you've been thru'
I go do everything for you
Special memory you used to sacrifice your love for me

Make it there when I party like end of the world
Buy to everyone everything I afford
Rest in peace for my brother my sister we lost
Hope that to see again o
Wishing peace for everyone out there in the prison
Coz I know how it pain oh

Somebody blow that candle light

Excited for the cake tonight
Whisper baby please hold me tight
Oh just for the blessing

Turn up, turn up, turn up, turn up, turn up
It's your birthday
Everybody turn up, turn up, turn up, turn up, turn up
It's your birthday
I want you to turn up, turn up, turn up, turn up, turn up
It's your birthday
Everybody turn up, turn up, turn up, turn up, turn up
It's your birthday
