

You Better Go

Harmonize

Kondeboy, call me "number one"

Babe, your eyes on my phone
Yani utadhani body langu sexy sexy
Hulioni

Always on my phone
Unatazama nani anae nitext text
Ajabu humuoni
You better know
Upendo wangu umeugeuza fimbo
Haya ni mapenzi sio ulimbo
Matusi yamekuwa wimbo

Hadi namiss kuwa single

Moyo unapenda amani kwanza
Kisha vitu vya thamani
Why umalizi ukianza
Kama tupo mahakamani
You better go
You better go
Babe, I'll let you go
Rhumba
You better go
I will let you go
You better go
I will let you go
Sijakupenda unitendee
You better go
I will let you go
Uende ama niendee
You better go
I will let you go
Hadi namiss kuwa single

Mwenzenu nina kichwa cha nyoka
Siuwezi mzigo wa mawazoo
Ninacho hofia meno yatanitoka
Nguvu za kusukumana si nazo

Nani kakuchoma mkuki
Mbona damu zinanivujia mimi
Na kukucheat sikumbuki
Babe, utaniamini lini?

Furaha imepotea
Kila kitu kwako nakosea
Oh, uh, kujitetea
Hadi nishaanza kuzoea

Moyo unapenda amani kwanza
Kisha vitu vya thamani
Why umalizi ukianza
Kama tupo mahakamani
You better go
You better go

Babe, I'll let you go
Rhumba
You better go
I will let you go
You better go
I will let you go
Sijakupenda unitendee
You better go
I will let you go
Uende ama niendee
You better go
I will let you go
Hadi namiss kuwa single

Kondeboy, call me "number one"
