

## You Are

Harmony

I try to walk a path where, I belong  
I try to find out what is right, and what is wrong  
I try to walk the path you  
Want me to  
Please watch my steps please,  
Guide me through  
See me  
See how I try  
In tears and in shame  
Hear me  
Hear me when I cry  
Cry out your name

You are  
The one who heals a scar  
You're the one, above all  
You are  
Brighter than a star  
You're there to catch me when I fall  
Sometimes my path is clear and my spirit's free  
Sometimes my mind goes numb, and darkness surrounds me  
I now know you walk beside,  
And help me through  
I found the purpose of my path, and it's you  
See me  
See how I try  
In tears and in shame  
Hear me  
Hear me when I cry  
Cry out your name

You are  
The one who heals a scar  
You're the one, above all  
You are  
Brighter than a star  
You're there to catch me when I fall  
Sometimes I wonder if  
You're really there  
If you are beside me if you really care  
Over and over you're  
Comforting me  
You're always present to  
Make me see
