

# Let Me Breathe

Harris J

I know you've walked in my shoes  
And get just what I'm feeling  
I know you've brought me up  
To always do the right thing  
You don't need to solve all of my problems  
I can try  
Let me feel naïve, let me feel alive

I just need a little more space  
To live my life  
And make my own decisions  
Looking through my eyes, oh  
I'm not trying to break your trust  
It's all I need  
But I'm growing up now, so let me breathe

I can make the right choices  
'Cause of all you taught me  
And you know that I'm always going to call  
If I say I will  
You don't need to stay up and worry  
I'll be alright  
Let me feel naïve, let me paint the sky

I just need a little more space  
To live my life  
And make my own decisions  
Looking through my eyes, oh  
I'm not trying to break your trust  
It's all I need  
But I'm growing up now, so let me breathe

You have been my safety  
My protector from the start  
There's no way, no one  
Could try replacing you in my heart  
'Cause you've been there for me  
You've always cared for me  
And I will never let you down

I just need a little more space  
To live my life  
And make my own decisions  
Looking through my eyes, oh  
I'm not trying to break your trust  
It's all I need  
But I'm growing up now, so let me breathe

I just need a little more space  
To live my life  
And make my own decisions  
Looking through my eyes, oh  
I'm not trying to break your trust  
It's all I need  
But I'm growing up now, so let me breathe
