

## 4 Note Melody

Harrison Craig

Four notes comprise this melody  
Four notes are all I have with me  
But if I just move them around  
I can craft a whole different sound  
That brings much more variety

Don't let your feelings melt and rot  
Just make the most with what you've got  
And the world will grow for you  
You will find your freedom too  
If you try and try and fight the four-note melody

Ci - sol - mi - do  
Ci - sol - mi - do  
Do - mi - sol - ci  
Do - mi - sol - mi

I am a man of simple means  
I don't need fancy limousines  
'Cause I have my four trusty steeds  
They are G, B-flat, E-flat, and C  
They take me through the galaxy

Don't let your spirit die and rot  
Just make the most with what you've got  
And the sun will shine for you  
And the birds will sing in tune  
If you try and try and fight the four-note melody

Ci - sol - mi - do  
Ci - sol - mi - do  
Do - mi - sol - ci  
Do - mi - sol - ci

Ci - sol - mi - do  
Ci - sol - mi - do  
Do - mi - sol - ci  
Do - mi - sol - mi

Don't let your feelings melt and rot  
Just make the most with what you've got  
And the world will grow for you  
You will find your freedom too  
If you try and try and fight the four-note melody
