

# Be Yourself

Harrison Storm

Be yourself when you're holding on  
Be yourself one day  
Be yourself when you're holding on  
Be yourself one day

Take all the colours out  
And fire fight the winter storms  
Be yourself, don't hide your name  
If you're caught and bound, don't be afraid

Be yourself when you're holding on  
Be yourself one day

Won't cry, won't cry, won't cry  
Won't cry, won't cry, won't cry  
Cry  
Won't cry, won't cry, won't cry  
Cry  
Won't cry, won't cry, won't cry  
Cry

Take all the colours out (Won't cry)  
And fire fight the winter storms (Cry)  
Be yourself, don't hide your name (Won't cry)  
If you're caught and bound, don't be afraid (Cry)

Won't cry, won't cry, won't cry  
Cry  
Won't cry, won't cry, won't cry  
Cry
