

Empty Garden

Harrison Storm

Held you in my arms, wide awake
Shoulder aching
Left you after dark, in the rain
Heart was racing
I see you in my dreams
I'll take another hit
My love, we had an empty garden

You said hold me
When I feel lonely
We're in the middle
But we can't bring it back around
Put on a movie
Act like you love me
Don't say goodnight
'Cause when we fell, I fell behind
And I didn't fight it
And I know you know
I didn't even try
You read my mind
Maybe next time I'll get it right

You called in late that night
Couldn't sleep
Hands were shaking
The way your eyes lacked light
Underneath
Your heart was breaking
I see you in my dreams
The way you feel so real
My love, we had an empty garden

You said hold me
When I feel lonely
We're in the middle
But we can't bring it back around
Put on a movie
Act like you love me
Don't say goodnight
'Cause when we fell, I fell behind
And I didn't fight it
And I know you know
I didn't even try
You read my mind
Maybe next time, I'll get it right

Get it right
Get it right

'Cause when we fell, I fell behind
And I didn't fight it
And I know you know
I didn't even try
You read my mind
Maybe next time I'll get it right
