

Falling Down

Harrison Storm

Goddamn, knew it from the start
Ramped up and lost tonight
Can we figure it out before it breaks our hearts
I don't, I don't know how we fell apart

Now I am stuck and silent
With the wait of time on our shoulders

Darling I feel I'm falling down, down
Darling I feel I'm falling down, down
'Cause it's not right, it's not right, it's too hard
It's not right, it's not right, it's just too hard

Always felt this could get dark
Held on 'cause things change fast
I'm sorry that I didn't help at all
Who knew we could lose it all

Darling I feel I'm falling down, down
Darling I feel I'm falling down, down
'Cause it's not right, it's not right, it's too hard
It's not right, it's not right, it's just too hard

I will wait, I will wait
I will wait alone, alone
I will wait, I will wait
I will wait alone, alone

Darling I feel I'm falling down, down
Darling I feel I'm falling down, down
'Cause it's not right, it's not right, it's too hard
It's not right, it's not right, it's just too hard

I will wait, I will wait
I will wait alone, alone
I will wait, I will wait
I will wait alone, alone
