

# Run

Harrison Storm

Lost and broke  
I feel like we can't get anywhere  
Enough to feel like leaving

Hopeless but I know  
That this can't be everything  
We don't need this heartache

We could break away  
If you really want to run  
Hard to keep the pace  
When you're staring at the sun  
And let's hide away from it  
Try escape from it  
Let's hide away  
If you really want to run

With you I see hope  
When before I didn't care  
Now I know I need you  
I need you  
I need you  
Now I know I need you

We could break away  
If you really want to run  
Hard to keep the pace  
When you're staring at the sun  
And let's hide away from it  
Try escape from it  
Let's hide away  
If you really want to run

Maybe it's freedom  
A chance to keep breathing  
Maybe we're lonely  
Maybe it's freedom  
A chance to keep breathing  
Maybe we're lonely  
Maybe it's freedom  
A chance to keep breathing  
Maybe we're lonely  
Maybe it's freedom  
A chance to keep breathing  
Maybe we're lonely  
Maybe it's freedom  
A chance to keep breathing  
Maybe we're lonely

Maybe we could break away  
If you really want to run  
Hard to keep the pace  
When you're staring at the sun  
Let's hide away from it  
Try escape from it  
Let's hide away  
If you really want to run
