

Under Dusk

Harrison Storm

Saw you yesterday
Before I swam right through my lakes
Didn't know what to say
As the water pulled me underneath

Hiding secrets
Keeps the sun down
Let us harvest
All the seeds of doubt

When they won't, I'll believe you
So open up, I won't leave you
If you don't, let me see you
In another way under dusk

Put you in my way
As I fell right back to where I came
Couldn't see into the gray
While I fought the water dragging me

Finding pieces
Through the heavy years
Held the sky up
Oh, to bring us here

When they won't, I'll believe you
So open up, I won't leave you
If you don't, let me see you
In another way under dusk

When they won't, I'll believe you
So open up, I won't leave you
If you don't, let me see you
In another way under dusk
